

Gain from our strength  
in numbers.

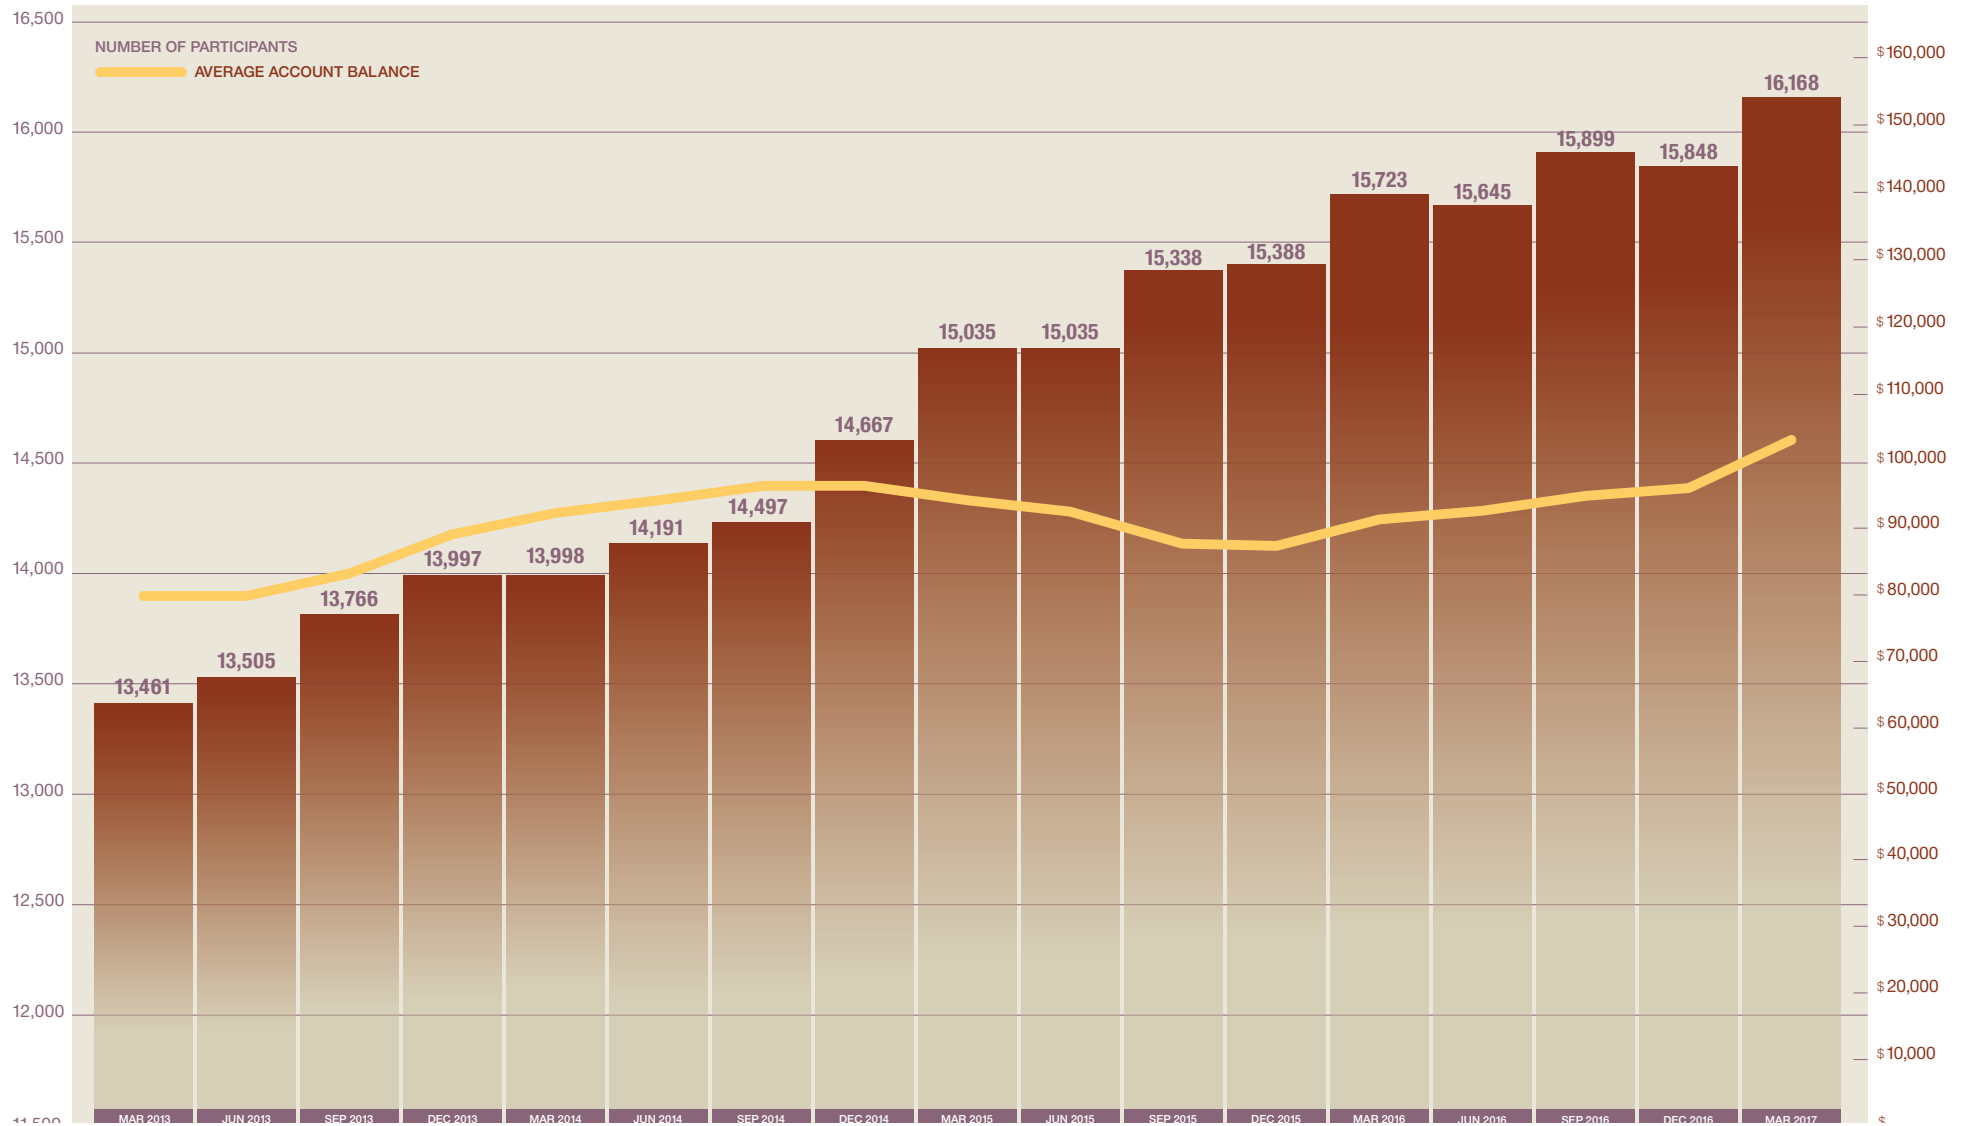

ACEC  | Retirement Trust

*A retirement plan for engineers...by engineers.*

# Total assets in the Trust.

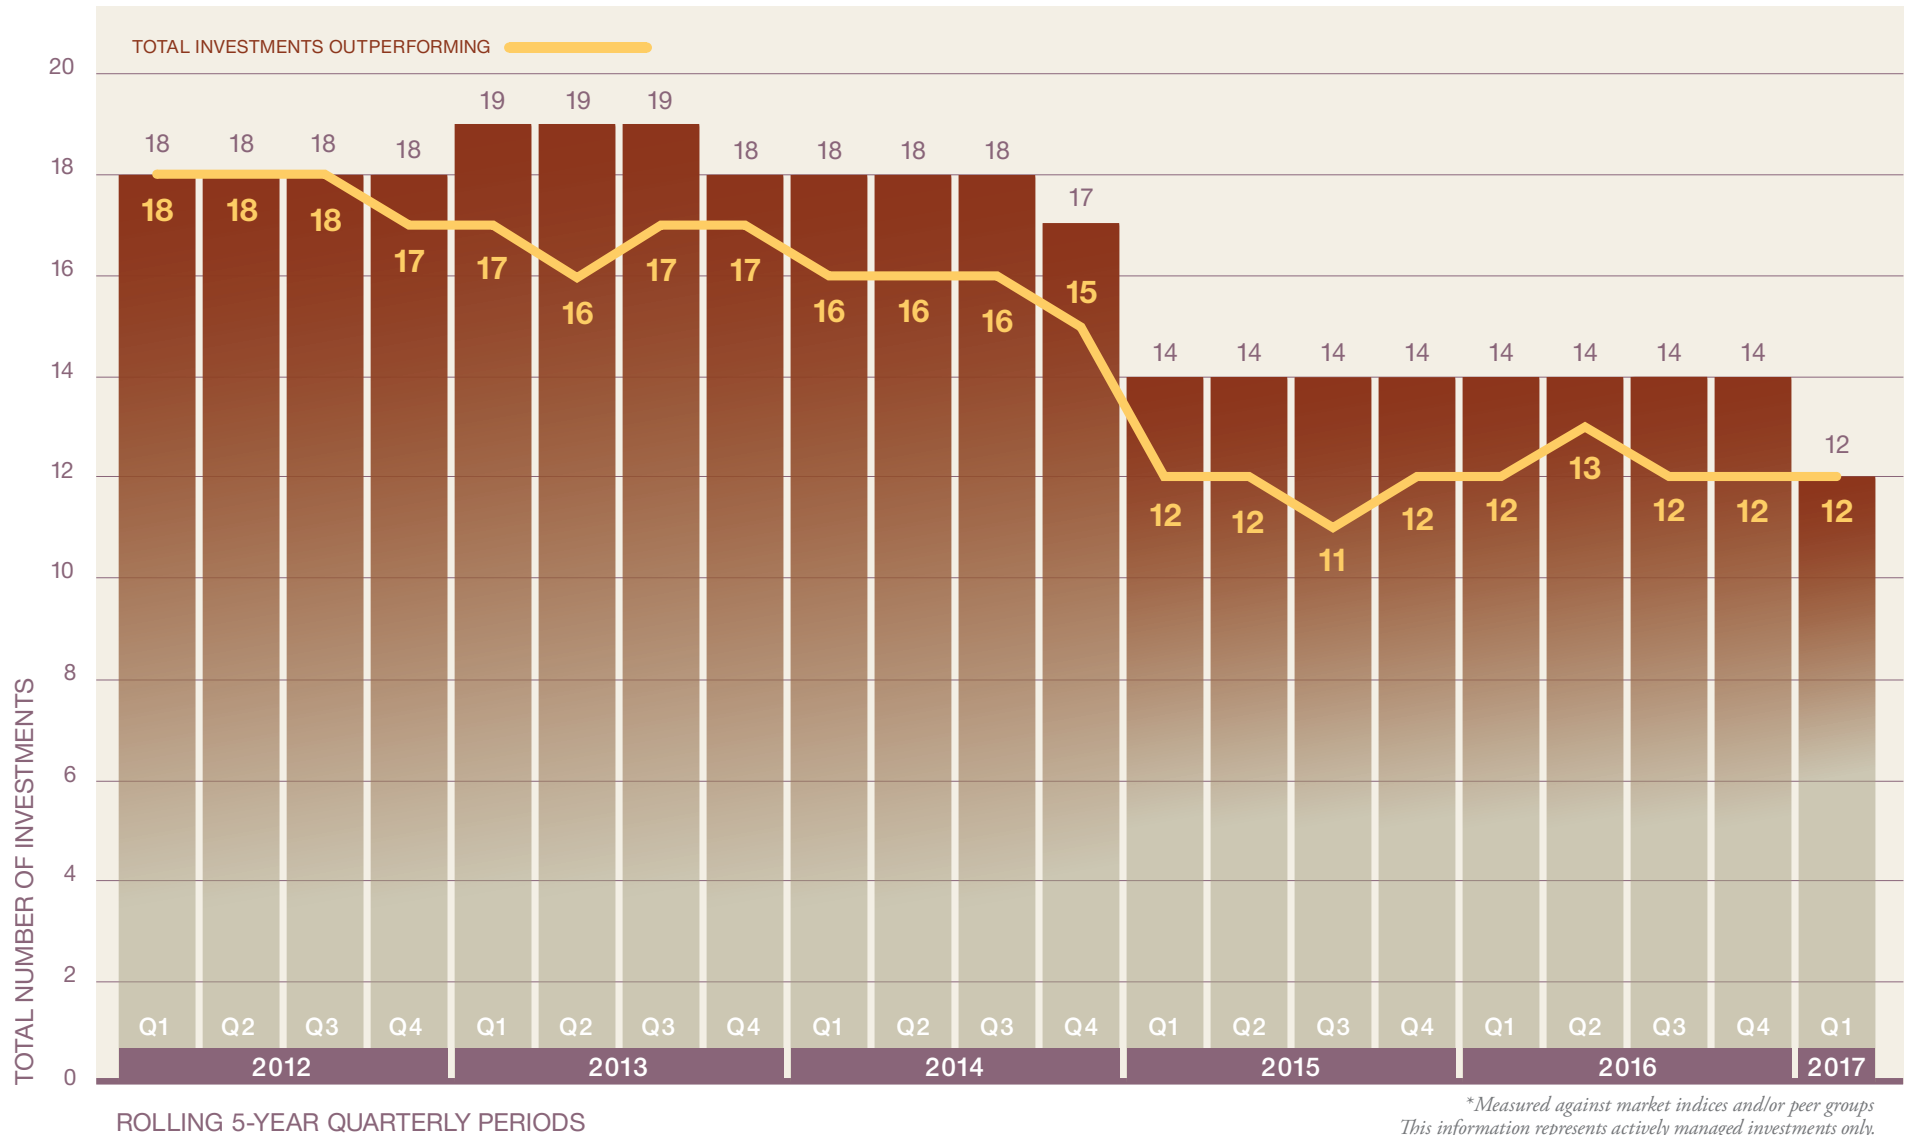

# Growth of the Trust and current ACEC member participation.

# Our investment line-up and our successes in fund selection.

On average, 94% of the investments have performed at or above the market indices and/or peer groups.\*

“... we are extremely satisfied with the service and overall performance of the Trust.”

**Rajan I. Sheth**

Chief Executive Officer, Mead & Hunt, Inc.

“... knowing that the Trust is constantly watching all funds for performance, gives us a secure feeling.”

**Jean Sebring, SPHR**

Director, Human Resources, Vali Cooper & Associates, Inc

“... without the service of the Trust, we probably would have to pay thousands of dollars to manage our plan.”

**Jay Simson, CAE**

President, ACEC New York
