

## Who is the ACEC Retirement Trust?

Think of us as your firm's trusted source for boosting buying power, no matter how big or small you are. We formed more than 50 years ago with a single mission — to pool together assets from many unaffiliated firms, kind of like a financial team-up, to offer some serious 401(k) benefits.

## What Benefits Do We Offer?

- ➔ Top-notch fiduciary protection for individual retirement plans
- ➔ Cost-savings administration and recordkeeping
- ➔ Access to quality, low-cost investments usually out of reach for individual firms
- ➔ Personalized investment advice and complimentary Certified Financial Planning services for **every** participant
- ➔ Frequent, detailed plan reviews and reporting without requiring internal effort

No matter the size of your firm, you save big with our 401(k) solution!
